In The Village

Budget and Tax Matters

The Budget Committee, working with the Village Manager, recently completed the draft operational and capital programs budget for FY2007.

The Board of Managers received the first draft of the budget at their regular meeting on March 13. At that meeting, the Board reviewed recommendations from Budget Committee Chair, Samuel A. Lawrence. A copy of Mr. Lawrence's report is enclosed.

The Board will vote on the final FY2007 budget at the Annual Meeting on April 17.

Ride-On Bus Route Change

As reported in the March 2006 issue of the *Crier* several residents east of Connecticut Avenue, the Board of Managers and Village staff, aggressively opposed a proposal from the Montgomery County Department of Public Works and Transportation to shift Ride-On's #1 bus route from Connecticut Avenue to Brookville Road.

In addition to the Village contingent against the proposal, Montgomery County Council members George Leventhal, Steven Silverman, Howard Denis and Nancy Floreen signed a letter to the new State Highway Administration's (SHA) Metropolitan District Engineer for our district, Mr. Darrell B. Mobley, encouraging SHA to investigate the installation of a traffic signal at the intersection of Leland Street and Connecticut Avenue.

It appears that everyone's hard work has paid off. The County is apparently inclined to extend the comment deadline while SHA mobilizes a study of signal possibilities at the Leland/Connecticut intersection. The study is expected to take approximately 90 days. Updates will continue to be provided on the Village website under "Hot Topics".

A special thanks to all residents who contributed their time, effort, and strong and convincing testimony and emails to thwart this ill-conceived idea. This endeavor was a true testimony as to what can be accomplished through the power of many.

Art Show

The Building Facilities Commission will host the fourth Annual Art Exhibition at the Village Hall during the month of April. (See the enclosed flyer.)

The Exhibition will open with a reception on Sunday, April 2 and will continue through Saturday, May 6, 2006.

Four Village curators will choose works from residents of Chevy Chase Village and other Chevy Chase townships. If you would like to exhibit paintings, fine art photography or sculpture, please call either Sally Troyer at (301) 656-8832 or Marie Martin at (301) 907-0371 before March 24, 2006.

Third Annual Spring Cleaning Event

Due to the success of last year's donation drive, the Public Works Department will again collect items throughout the Village on **Wednesday, March 29**. This year's drive will benefit the organization AM-VETS, which has supported active and veteran military personnel since 1947 (Rain Date: Wednesday, April 5).

We look forward to another successful donation drive and hope this year's collection will be even better than the last!

Toddler Group

The weekly Toddler Group meets on Thursdays from 11:00 a.m. to 12 noon. in the Village Hall. As the weather warms up, the group often moves the fun outside! All Village parents and caregivers are welcome to attend.

If you have any questions or would like additional information regarding the Toddlers' Group, please contact Elizabeth Bausch at (301) 656-5643.

Modifications to the Brookville Road Park

Thanks to the efforts of the Parks Committee, fencing was recently installed by the Public Works Department to enclose the park on Brookville Road between Primrose and Quincy Streets.

The park now allows children to run and play without parents and caregivers worrying about them running into busy Brookville Road. Residents are encouraged to visit this wonderful new asset to the community.

CYF's first Game Night on February 25 was enjoyed by a group of boys and girls ages 8 and older in the Village Hall. Snacks were provided and everyone seemed to enjoy the event. Many thanks to Adriana and Ken Wiseman for chaperoning that event.

The Parents' Night Out was another success on March 18th. It was an activity filled night and children and parents had a good time. The group was well cared for by our babysitters for the evening, several of whom attended the babysitting course in January. Also, many thanks to Yvette and Brian Karaba for chaperoning the event.

As you tend to your spring cleaning this year, please consider donating games/toys to CYF for use at Parents' Night Out, Game Night, Toddler Group and other events. Please bring your donations to the Village Hall or contact either Amy Cooper (acbelle@aol.com) or Karen Spangler (karensangler@comcast.net). You may also contact Ms. Cooper and Ms. Spangler if you are interested in volunteering for future CYF events and with ideas for new activities.

Board Actions - March 13, 2006 Board of Managers' Meeting

Minutes: February 13, 2006 Meeting: Approved.

Building Facilities Commission: Chair, Mary Anne Tuohey, noted upcoming events sponsored by the Commission and the Committee on Children, Youth and Families including the Art Show Opening and Reception, a new class aimed at boys age 4-5 entitled "Super Heroes Class for Boys", Parents' Night Out, Mad Science of Washington and a Spring Concert headlined by Village resident, Wes Nichols. Ms. Tuohey and the Board discussed ways to increase rental of the Hall by residents.

Budget Committee: Chair, Samuel Lawrence, walked the Board through the proposed budget for the fiscal year ending June 30, 2007. (See enclosed packet.)

New Law Affecting Tree Contractors

A bill passed by the Maryland General Assembly, effective October 1, 2005, requires all tree experts to be licensed through the Department of Natural Resources (DNR) to prune **AND** remove trees within the State. This law applies within the Village and is already being enforced.

The Village's Tree Removal Permit Application will now require the tree contractor's name, phone number and DNR license number. Applications will no longer be accepted if the contractor has not been selected.

Village officers will also be verifying licensing for any crews seen pruning trees on private property. Any crews witnessed pruning without valid licensing will

receive a State citation and fine, and will be escorted out of the Village.

For more information regarding this new regulation or to verify licensing for a desired tree contractor, please visit the DNR website at www.dnr.state.md.us or call them at (877) 620-8DNR. For questions regarding the law's application within the Village, please contact the Village office.

Special Alert for Mulch Users

After hurricanes *Katrina* and *Rita* in New Orleans, many trees were blown over and then turned into mulch. The state is trying to get rid of tons and tons of this mulch to any state or company who will come and haul it away. This mulch will be showing up in *Home Depot*, *Lowe's* and other home improvement stores at dirt cheap prices with one huge problem: Formosan Termites are the bonus ingredient in many of those bags.

New Orleans is one of the few areas in the country where Formosan Termites have gotten a strong hold, and most of the trees blown down, were already badly infested with those termites. Now we may have the worst case of transporting a problem to all parts of the country that we have ever had. These termites can eat a house in no time at all and there is no good control against them.

So tell your friends and family to avoid cheap mulch and know where the mulch they are using came from.

Police Beat—Chevy Chase Village

To e-mail Police Chief Roy Gordon: roy.gordon@montgomerycountymd.gov

Veteran Officer, Margot Hawkins-Green, Retires

Officer Margot Hawkins-Green served with the Chevy Chase Village Police Department from July 7, 1993 to March 16, 2006. Prior to joining the Village Police, Margot was employed by the Uniformed Division of the Secret Service and, for a short time, the National Zoo Police. She is most recognized by most residents for her diligence as the Village's primary Code Enforcement Officer.

Margot set the benchmark for new officers joining the Department. Her dedication to duty and service to Village residents remain the model for others to emulate. During her career with the Village she continued to improve her skills by attending local training programs for Crisis Intervention and becoming a certified Field Training Officer to assist new officers in their role as Community Policing Officers. She was instrumental in improving equipment issued to officers and providing support data for an all purpose utility vehicle for the Department.

In addition to her Village obligations, Margot found time to raise a family, and get her Masters Degree from John Hopkins University. Please join me and the Village's Board of Managers at the Annual Meeting on April 17 to recognize Officer Margot Hawkins-Green for all her contributions to the Village community and to wish her much success in her new endeavors with the Department of Homeland Security in Washington, D.C.

Stopping The Examiner

The Communications Center continues to receive complaints from residents regarding delivery of the tabloid The Examiner.

The Village cannot prevent delivery, but we are aware that the delivery continues to be a nuisance to some and sympathize with our residents' frustration over the unsolicited, seemingly "littering" fashion of the paper's delivery. Several residents have found success in stopping the unwanted delivery by contacting the newspaper's circulation contractor.

If you are presently receiving the paper and wish to discontinue delivery, or if you have requested that delivery be stopped and it has not, please contact Wilcan Services at (703) 441-9229 or wilcan1@aol.com.
